

Marc Silverberg

The Doctor of A cappella

Dr. Marc Silverberg has established himself as one of the leading voices in a cappella education today. Beginning in 2020, Dr. Silverberg pioneered two new breakthroughs in a cappella education: A cappella Masterclass (acappellamasterclass.com) and VocaVersity, the world's first, certified online school for contemporary a cappella. In spring 2020, Dr. Silverberg released his first published book, co-written with Deke Sharon and Dr. J.D. Frizzell, with GIA Publications titled Teaching Music Through Performance in Contemporary A cappella.
